

Virginia Mileage Choice Program

Scott Cummings
Assistant Commissioner for Finance
Virginia Department of Motor Vehicles

Report on Transportation Funding Sustainability in Virginia

House Bill 1414

- Passed by the 2020 General Assembly
- Established Highway Use Fee which is a calculation to capture unpaid fuels tax revenue for fuel efficient vehicles
 - Collected at vehicle registration
- Compares fuel tax payments of average vehicle in VA to those for vehicles 25 MPG or greater
 - VIN decoder determines fuel economy for registered vehicles
- Tied to gas tax rate, which is indexed to inflation

Highway Use Fee

- 23.7 MPG vehicle driven 11,600 miles purchases 489 gallons of gasoline
- At \$0.280 per gallon gas tax, vehicle pays \$137.05
- Fuel efficient vehicles over 25 MPG are compared against this average and assessed 85% of difference
- For FY23, fee ranges from \$6.06 to \$116.49

Voluntary Mileage Based Program

1 Sign Up

Before renewing your vehicle registration, [create an account](#) with Emovis. You will need your vehicle information and a valid credit or debit card to set up an account. Emovis will send you a device to place in your vehicle to report mileage.

[SIGN UP](#)

2 Install

When you receive the mileage reporting device, follow the directions provided by Emovis to [install](#) the device in your vehicle and fully activate your account. You will also need to download a smartphone app to record an initial odometer reading.

3 Drive

The miles you drive will be recorded by the device, up to the amount of the highway use fee.

- Pay throughout the year for actual miles traveled – Drive Less, Pay Less
- Maximum mileage based charge is capped at highway use charge

Education and Outreach

- Partnered with Eastern Transportation Coalition for a digital ad campaign
- Focused on potential participant groups and tested public response to messaging

Mileage Choice Program

- Customers began enrolling at vamileagechoice.com on July 1st, setting up prepaid wallets
- Customers can choose between OBD-II devices or in-vehicle telematics
- Non-GPS option available
- Miles began to be collected August 1st, with the first invoices processed in September
